GARAGE

SHORT DRIVE TO ALL AMENITIES

FEW MINUTES AWAY FROM STUNNING BEACHES

Each room in this house was designed to unify the interior and exterior, optimizing perspectives. Stunning contemporary design perfectly complements the magical panoramic sea views that surrounds this exceptional Mediterranean villa. Defined by dramatic angles and clean lines inside and out, the property was designed to offer a high degree of comfort. Panoramic vistas can be enjoyed across the home, not least the long living and dining area with its wraparound floor-to-ceiling windows and glass doors to a large covered terrace. The villa comprises of entrance hall, large double height ceiling lounge dining room with access onto the covered terrace by the pool, separate kitchen with laundry room, three double bedrooms, one of them with en-suite bathroom (all of them with direct access onto the pool) and a family shower room. The top floor comprises of a master bedroom with panoramic windows to display the views and an en-suite shower room. Back to the lounge dining area, a stair up to an open area with terrace, currently used as an office. Outdoors, the pool area offer plenty of room for exterior furniture and entertaining space, while the Mediterranean garden invites to relax. Other highlights are: garage with electric gate, printed concrete parking, electric gate and alarm. Central heating and pre-installation for air conditioning. Set across 1.000 sqm of beautifully landscaped plot, in the picturesque town of Javea, this outstanding property is just a few minutes from STUNNING BEACHES and a wide selection of amenities.
