With a separate casita (small house) separate guest suite, separate garden room, private swimming pool, tennis court, roof terrace with spectacular sea views. A real taste of Spain.

The approach is via a country lane on the edge of the town of Ador just a few kilometres to the city of Gandia and the beaches.

Off road parking for many vehicles and a car port for 3 cars, next to the car port is the detached casita with a window and door. The casita sits on its own ground with a variety of fruit trees. Grapefruit, figs, grape vines and would make a fabulous vegetable garden. The casita would need to have power and water connected to make it habitable or just use it as a garden shed and workshop.

The main villa has a vehicular gated and a pedestrian gate, upon entering you are overwhelmed by an oasis of beautiful plants, shrubs and trees. The garden is a flat workable plot with a tennis court in need of repair, private swimming pool and some beautiful sculptures, water features and pretty garden seats under the mature arched wisteria.

To the side of the property is a brick built BBQ area and an outdoor shower.

Open naya with an outdoor kitchen with a fitted oven, hob, double sink with hot and cold water supply, steps to the poolside, door to the guest suite, steps to the main accommodation and a fabulous entertaining area for guests to rest and relax.

Guest suite is a lovely spacious room with an open fireplace and space for seating, window to the side, double opening doors to the naya, en-suite.

En-suite with a walk-in shower, vanity unit with cupboards and drawers beneath, WC, window, bidet and lighting.

Main accommodation is accessed via a staircase to the first floor.

Lounge with Valencian tiled flooring, sliding patio doors to the terrace, the terrace is a tranquil place for rest and relaxation and a great place to admire the beautiful gardens. Door to the staircase to the roof terrace.

Roof terrace is a large useable area with panoramic views of the sea, mountains, town and over the orange groves.

Kitchen with a range of base and wall units, two windows, Valencian tiled flooring in keep with the style of property, double sink, fitted oven, hob and extractor, space for fridge freezer and lighting.

Bedroom 1 is a lovely spacious bedroom overlooking the poolside through double opening doors and a Juliette balcony. Waking in the morning to the lovely view over the orange groves would be bliss.

Bedroom 2 is like bedroom 1 another spacious bedroom with views overlooking the poolside through double opening doors and a Juliette balcony, built in wardrobes and lighting.

Bedroom 3 is another good side double bedroom with a window and views towards the town. This room is currently used as a dining room.

Family bathroom with a bath and shower over, WC, vanity unit with cupboards and drawers, wall mirror with lighting over.

Ador is a very pretty town situated 10 minutes drive to Gandia City. The town has quite an active social life with the pensionista club, traditional fiestas for all the family including the tour around the town with the sweet lorry followed by the beer lorry. Firework displays and several bars and restaurants.

During fiesta times the village goes to sleep and then in the evening it wakes up and is full of life.

The community swimming pool is heated so in the winter when your private pool is too cold to swim you can walk to the local swimming pool.

Also on a bus route makes this small town very accessible by public transport.
